

**S.H.A.R.E. Training**  
Salvation Healing Ambassadors Releasing & Elevating

**Biblical Model:** Luke 9

**The Principles of Prayer Evangelism:**

1. Speak peace to our neighbors
2. Fellowship with them
3. Meet their needs
4. Proclaim the Good News

God is a good God, and He wants to meet your needs, healing, restoring family relationships, financial needs, physical needs, peace and relationship with Him.

**Guidelines for our SHARE Team:**

- We always go in pairs (2x2) preferably with a man or woman
- Be praying in the Spirit as you approach the house
- Knock on the door, then step back to give them space. Always SMILE!
- Have one person be the spokesperson (lead the conversation)
- How can we pray for you? If no, Do you mind if we bless you before we go?

**Do's and Don'ts:**

1. Stick together. Stay in the area of your assignment.
2. Avoid debates or arguments
3. Track results at [StreetSouldiers.com](http://StreetSouldiers.com) under "Revive 43205" subpage
4. Declare as you go.
5. Handling rejection. You are simply sowing seed and it didn't fall on good soil
6. If they invite you inside, go in the main room. Be aware of surroundings.
7. Remember angels are going with you so never be afraid
8. Dress modestly.
9. Bring your cell phone with you
10. Return and report – testimonies build our faith!

**Sample Opening** (let Holy Spirit lead you):

Hi, my name is \_\_\_\_\_ and this is \_\_\_\_\_. We're with the Street Souldiers right here in zipcode 43205. And we just came by today to see how you are doing. To wish you peace and blessing. We're checking on people in this community to see if you're alright with everything that's been going on right now. We're just here to pray for you. You're our neighbors and we care about you.

LISTEN.

So, please tell me how can we pray for you today.

**Declarations:** (please add your own declarations below)

- They are rolling out the red carpet for us because we have what they've been looking for all their lives.
- I know that on the other side of fear is a testimony.
- People in this zipcode are hungry for Jesus.
- The peace of Christ has already changed the atmosphere and we have favor with people.
- It is impossible for us to pray for someone and them not get healed.
- When we show up, the angels get excited because they get to go to work!
- Just as Peter's shadow healed people, when we show up we bring transformation.
- Everywhere we walk, we change the atmosphere around us.
